

Certification - M.S.D.S

International Fasteners, Inc. certifies that Daggerz™ brand screws are manufactured and tested in accordance with and meet all of the specifications listed below.

SAEJ78
ASTM A370
ASTM B117
ASTM C954
ASTM C1002
ASTM C1513
ASTM F1941

Copies of the ASTM specifications may be obtained from ASTM by visiting www.astm.org. These are copyrighted documents and a fee is assessed to each copy requested.

All Daggerz™ brand drywall sharp point screws meet or exceed ASTM C1002 and ASTM C1513 requirements for corrosion resistance and performance.

All Daggerz™ brand self drilling screws meet or exceed ASTM C954 and ASTM C1513 requirements for corrosion resistance and performance.

All Daggerz™ brand plated screws conform to ASTM F1941 (replaces ASTM B633) for corrosion resistance, as tested in accordance with ASTM B117.

Daggerz™ brand screws are manufactured in ISO 9001 certified factories.

International Fasteners, Inc. conforms to the standards set by the Industrial Fasteners Institute (IFI) for tapping screws.

M.S.D.S. Statement: All Daggerz™ brand products manufactured for International Fasteners, Inc. are of a non-chemically hazardous nature.
