"The Distributor's Choice"

Quality Construction Fasteners

Make us your choice today!

IFI has continued to grow our Daggerz™ brand into one of the most comprehensive selections of construction fasteners sold exclusively through the distribution channel. Our products include an extensive line of self drilling screws, drywall screws, deck screws, wood screws, concrete screws, post frame screws, needlepoint screws, clip screws, aluminum industry screws, bonded washers, bits and threaded rod. Our Daggerz™ brand screws are packaged in color coded cartons for ease of material identification.

We have six locations available offering distributors prompt delivery of high-quality products at competitive pricing. We are one of the largest importers of self drill screws and we were the original industry leader to offer our screws in plastic buckets. International Fasteners, Inc.'s success is built on our dedication to service, our loyal distributors, the relationships with our quality suppliers, and most importantly, the true professionals who sell, service, and ship our products every day.

IFI specializes in customizing programs to meet the specific needs of our distributors. With custom private packaging programs and convenient shipping points, we are "large enough to handle your business, yet small enough to care."
